

Start-up: Start your engine and prepare to move. Extended your right or left arm and move your index finger in a circular motion. **READY TO GO:** Raise your hand over your head, or place your hand on the windshield when your motorcycle is running. This helps inform the leader the group is ready.

Left Turn: Left arm and hand extended parallel to ground.

Right Turn: Raise you left arm horizontal with your elbow

bent 90 degrees vertically. Left hand up with all fingers extended or all fingers closed.

Slow Down: Left hand down at 45 degree angle, palm towards rear, moving hand back and forth at elbow. Main use is to warn that the group is slowing.

Speed Up: Raise your left arm up and down with your index

finger extended upward. This indicates the leader wants to speed up.

Hazzard on the RIGHT SIDE: Raise your left arm up and point over your head to the right.

Hazard on the LEFT SIDE: Point left hand in a downward

motion.

Single File: Position left hand over your helmet with fingers extended upward. This indicates the leader wants the group in a single file formation. Usually this is done for safety reasons.

Stagger Formation: Extend left arm upward at a 45 degree

angle with your wrist rotating and fingers extended in a 'V'. This indicates that it is safe to return to staggered formation.

Tighten Formation: Raise left arm and repeatedly move up and down in a pulling motion. This indicates the leader wants the group to close ranks.

Stop: Extend your left arm at a 45 degree angle with the palm

of your hand facing rearward.
